#### Platinum

#### Gold

#### Silver

### Crystal Anthony

Crystal graduated from Dalhousie's College of Pharmacy in 2008 and is currently completing a Pharmacy Residency at the QEII.

### Peggy Apostolides

Peggy graduated from Dalhousie College of Pharmacy in 1999. She worked as a community pharmacist for Lawtons Drugs until 2003, at which time she decided to make the switch to hospital pharmacy at the IWK. Peggy currently works as a clinical pharmacist in the Pediatric Medical unit. She became a Certified Diabetes Educator in 2005 and has been a demonstrator in 4<sup>th</sup> year Pharmacy Skills Lab.

### Dr. Christopher Daley

Chris graduated from Dalhousie University with a BScPharm in 2001. He then completed a hospital pharmacy residency at the Moncton Hospital in 2002 and went on to complete his PharmD in 2004 at the University of Toronto. In 2005 he completed an advanced practice pharmacy residency in critical care/cardiology at St. Michael's Hospital, where he subsequently spent a few years working in various critical care environments. He is the Clinical Pharmacy Coordinator for the Multi-Organ Transplant Program for the CDHA.

### Amy Flinn

Amy graduated from the School of Pharmacy at Memorial University in 2003. She then completed her hospital pharmacy residency at London Health Sciences Centre, ON. Amy is currently a pharmacist in Emergency Medicine at the Halifax Infirmary Site.

### Rosemary Hayter

Rosemary has been the Director Pharmacy Services Pictou County Health Authority since 2001. From 1997-2001 worked as Regional Director Pharmacy Services - Northern Regional Health Board NS. She began hospital practice in December 1985, with most of her experience at Aberdeen Hospital and a brief period at Sydney Community Health Centre. She graduated from Dalhousie in 1979.

### John Manderville

JR graduated from pharmacy school in 1990. He began working at the VG in 1991 and began practicing in general medicine in 1992. He is currently one of four staff pharmacists assigned to the medical teaching unit. Although JR has many areas of interest with respect to hospital pharmacy, his main interest is in provision of direct patient care.

### Pam McLean Veysey

Pam provides drug evaluation support to the NS Pharmacare Program and Atlantic Common Drug Review to aide in the formulary decision making process. She is a member of the Drug Evaluation Alliance of Nova Scotia (DEANS) whose initiatives encourage appropriate drug use in N.S. She consults on the development of evidence based material for the Dalhousie Academic Detailing program and present this information to pharmacists via Academic Detailing Rx. Prior to this, she practiced in a variety of capacities in several hospitals in NB and NS.

### Joyce Totton

Joyce, a Dal grad, completed her residency at Sick Kids and is currently completing her Pharm D with the University of Colorado, (Nontraditional). She works at the IWK as a clinical consultant to the pharmacy department and clinical pharmacy specialist with Mental Health and Addictions, inpatient psychiatry.

### Shanna Trenaman

Shanna graduated with a degree in Chemistry from Acadia University in 2004 and went on to study Pharmacy at Dalhousie University. She graduated in 2008 with her Pharmacy degree and began her Pharmacy residency at the QEII upon graduating.

### Moira Wilson

Moira is the Region Director of Pharmacy for RHA B. Over the last twenty seven years Moira has held a number of positions within the healthcare field including clinical staff pharmacist, assistant director of pharmacy and most recently Administrative Director of Pharmacy at the former Atlantic Health Sciences Corporation. Moira is a graduate of Dalhousie.
